B. Definitions:

(a) General definitions: For the purpose of awards, the applicants are defined in the following categories:

- (i) Micro Enterprises: Members falling under the category under the provisions of the The Micro, Small and Medium Enterprises Development Act, 2006, Government of India
- (ii) Small Enterprises: Members falling under the category under the provisions of the The Micro, Small and Medium Enterprises Development Act, 2006, Government of India
- (iii) Medium Enterprises: Members falling under the category under the provisions of the The Micro, Small and Medium Enterprises Development Act, 2006, Government of India
- (iv) Large Enterprises: All other manufacturer exporters
- (v) Merchant Exporters: Members having their registration as 'Merchant Exporter' in the Council's RCMC

Note: Exporters registered as Merchant-cum-Manufacturers

Merchant-cum-manufacturer exporters would be categorized according to their performances in the 'manufacturer' and 'merchant' category. Companies having exports predominantly in manufacturing category would be classified under the provisions of the MSMED Act 2006. Otherwise, they would be treated as a merchant exporter and relevant provisions would be applied.

(b) Definitions of Micro, Small and Medium Enterprises as per the MSMED Act 2006:

(a) In the case of the enterprises engaged in the manufacture or production of goods pertaining to any industry specified in the First Schedule to the Industries (Development and Regulation) Act, 1951—

- (i) Micro Enterprise: where the investment in plant and machinery does not exceed twenty-five lakh rupees;
- (ii) Small Enterprise: where the investment in plant and machinery is more than twenty-five lakh rupees but does not exceed five crore rupees; or
- (iii) Medium Enterprise: where the investment in plant and machinery is more than five crore rupees but does not exceed ten crore rupees;

(b) In the case of the enterprises engaged in providing or rendering of services —

- (i) Micro Enterprise: where the investment in equipment does not exceed ten lakh rupees;
- (ii) Small Enterprise: where the investment in equipment is more than ten lakh rupees but does not exceed two crore rupees; or
- (iii) Medium Enterprise: where the investment in equipment is more than two crore rupees but does not exceed five crore rupees.

(c) Definitions for the Star Performer Awards: The General Definitions would apply to all awards, with the following exceptions:

- (i) The Star Performer awards would be distributed to three categories (i) Small Enterprises; (ii) Medium Enterprises and (iii) Large Enterprises.
- (ii) Micro and Small Enterprises would be clubbed together under the head of Small Enterprises for the purpose of the Star Performer Awards. However, the Micro Enterprises would get a double-weightage for the purpose over the Small Enterprises.
- (iii) For the purpose of Star Performer Awards, merchant exporters having export turnover upto Rs 150 crore (total engineering export turnover across groups and not only for the specific Star Performer Group) would be categorized as Medium Enterprises. Merchant exporters with a higher turnover would be categorized as Large Enterprises.
- (iv) For Star Performer Awards, after categorization, exporters other than Merchant Exporters in the Large and Medium Enterprises categories would get double-weightage in calculation of export performance over the Merchant Exporters.
- (v) For awards under various 'star performer' groups, export turnover of the relevant products falling under the group, and not the entire export turnover, will only be considered.

(d) Thrust Markets and Products have been identified in "Strategy paper for the growth of engineering exports: 2010–2014", a study carried out by EEPC India. List of Thrust Products with HS Codes and the respective Thrust Markets is being given in Annexure I.

(e) Definition of Promotional Activities of the Council and the scores attached to each of them for the purpose of award are given below:

Details	Score
